Farm Africa seeks to employ those who believe that **farmers can and will play a key role in achieving long-term rural prosperity in Africa** and who seek to deliver on those beliefs by upholding our values.

Farm Africa's Values

Investing in smallholder farming is the number one way to combat poverty in rural Africa. Farm Africa is a leading NGO specialising in growing agriculture, protecting the environment and developing businesses in rural Africa.

EXPERT. Deep expertise and insightful evidence-based solutions are at the heart of everything Farm Africa does.

GROUNDLED. Positive change starts with Africa's people, so our experts work closely with local communities, engaging them in every level of decision-making.

IMPACTFUL. We take a long-term view so we can deliver lasting changes for farmers and their families.

BOLD. We model innovative new approaches and are not afraid to challenge strategies that are failing.
