JOB TITLE: Head of Finance

REPORTS TO: Director of Finance and IT

REPORTING TO POSTHOLDER: Financial Accounting Manager, Programme Finance Analyst

LOCATION: Farm Africa, London office with 4 to 5 weeks overseas travel.

DURATION & HOURS: Permanent, full time.

PURPOSE OF THE ROLE

The Head of Finance is responsible for the overall financial management and reporting for Farm Africa. They ensure that we maintain effective financial control and compliance across the organisation, and provide accurate and timely management information to support decision making. They also support the Director of Finance & IT in contributing to the overall strategic direction and priorities for the organisation. They lead the UK-based finance team and ensure effective co-ordination with our Africa-based teams.

KEY TASKS AND RESPONSIBILITIES

Planning

- Lead the annual budgeting and in-year reforecasting process to produce accurate financial plans for Farm Africa;
- Review proposal budgets to ensure budgets are robust and comply with Farm Africa costing guidelines;
- Support the Director of Finance & IT in developing and implementing long term strategic and financial plans for Farm Africa, and the finance function.

Reporting

- Manage monthly internal financial reporting including the management accounts pack and project-level financial reports;
- Produce the annual consolidated financial statements for Farm Africa in the UK;
- Manage the annual audit in the UK, and support country teams through their annual audits and accounts preparation, and donor audits.

Control and compliance

- Lead the maintenance and strengthening of the control environment in the UK and Africa through ongoing review of financial policies and processes;
Ensure effective balance sheet control through monthly review of bank and other account reconciliations across the organization;

- Manage banking processes and relations with Farm Africa’s bankers in the UK;
- Manage treasury including cash flow forecasting, and transfers between UK and country offices;
- Review and approve the UK payroll prepared by the Head of HR;
- Review the UK VAT returns and ensure VAT compliance, and prepare the annual corporation tax returns for the parent charity and trading subsidiary;
- Support the implementation of the annual internal audit plan, including preparing the annual plan, arranging for audits to be carried out, and ensuring issues and recommendations are addressed.

Business support

- Act as primary business partner to our country directors and UK fundraising teams, providing ad hoc support and advice;
- Manage Farm Africa’s cost recovery process to help ensure the organisation achieves full cost recovery across our programme portfolio.

Staff development

- Act as line manager for two staff in the London office (Financial Accounting Manager, and Programme Finance Analyst);
- Train and support Africa finance managers – on systems, processes, and on fostering a ‘business partnering’ culture between finance and other parts of the organization;
- Promote understanding of Farm Africa’s finances and processes, plus other core technical skills such as budget management and MS Excel, to the wider organisation.

Other

- Attend the quarterly Finance, Risk and Audit Committee (sub-committee of the board of trustees);
- Perform such additional tasks as may reasonably be requested from time to time by the Director of Finance & IT.
