

Thank you so much for allowing Farm Africa to claim Gift Aid on your donation. Your generosity will help more farmers in eastern Africa grow more, sell more and sell for more.

If you are able to Gift Aid your donation then your gift will have an even bigger impact. This means that for every £1 you give to Farm Africa, we can claim an extra 25p. It won't cost you a single penny more, but it will help more farmers to grow a future free from hunger.

To enable us to claim Gift Aid on your donation all you need to do is complete your name and address details below, tick the box and return this whole form to us at the address below.

I want to Gift Aid my donation, and any donations that I make in the future or have made in the last four years, to Farm Africa. I am a UK tax payer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

Please note: Gift Aid is reclaimed by the charity from the tax you pay for the current tax year. Your address is needed to identify you as a current UK taxpayer. If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code. Please notify us if you: a) want to cancel this declaration, b) change your name or home address or c) no longer pay sufficient tax on your income and/or capital gains.
