GIVE IT SOME WELLY WITH THESE FUNDRAISING IDEAS

Wellies aren't just wet weather friends! They can be a great way to help African farmers give hunger the boot. Visit London EC2Y 5DN 9th Floor, Bastion House, 140 London Wall, or call us on 020 7430 0440.

Give Hunger the Boot, Farm Africa, send them to your church to exhibit the wellies afterwards. Help make your congregation and community feel inspired by giving them your best welly. The training opened my mind. Maize is just for one season per year, but with vegetables you can have three seasons so they provide a continuous income all year round. "It is good to have some fun while fundraising. Using the title 'Give Hunger the Boot' opened up lots of opportunities for us to raise money quickly. We'd also love to have some fun while fundraising. Using the title 'Give Hunger the Boot' opened up lots of opportunities for us to raise money quickly. **GIVE IT SOME WELLY WITH THESE FUNDRAISING IDEAS**

Put on your Sunday best and invite your congregation to wear their wellies to raise money and awareness for Farm Africa. Here are some fun and easy ideas to get you started:

**WELLY GOOD CAKES**

Ask your local baker to make a donation of wellies and cakes for you to sell. This will give you a steady stream of income and also raise awareness for Farm Africa.

**FILL YOUR BOOTS**

Plan a wellies-themed event like a race or a photoshoot with wellies and raise money. Ask people to contribute Gift Aid envelopes to make their donations go further.

**GIVE HUNGER THE BOOT TOGETHER**

In London, ask your local community or organisational group to come together and help create wellies for women in need. This is a fantastic way to get involved and make a difference.

**BLOOMING BOOTS**

Ask your church flower arrangers to create a wellies-themed arrangement for your Harvest service. You can also order your free Gift Aid envelopes, pass a welly around the congregation or leave one at the door to be filled with spare change. You might even want to make a wellies-shaped donation box.

**BOOT UP YOUR COMPUTER**

Join our Great African Welly Walk boot-up-a-thon and help Give Hunger the Boot with a donation to Farm Africa. Every mile that people undertake will count towards the wellies challenge. Help us reach our goal of 10,000 welly walks across the UK.

**THANK YOU FOR HELPING AFRICAN FARMERS GIVE HUNGER THE BOOT THIS HARVEST**

We'd also love to hear from you. If you or your church have a story or photos you'd like to share, please contact us at info@farmafrica.org. We'd love to feature your story on our website, www.farmafrica.org.

**WELLY WANGING**

Ask your local community or church to decorate their wellies and stage a wanging competition. Who can throw their wellies the furthest? Set up a competition among the children of Sunday school and request a donation to enter. Why not get parents and the rest of your congregation involved – or even another church?

**CAR BOOT SALE**

Hold a car boot sale outside the church. It’s a great way to raise money and awareness for Farm Africa. Every item that people sell will count towards the wellies challenge.

**JOIN OUR GREAT AFRICAN Welly WALK**

All over the UK, schools and churches are increasing fundraising potential by helping Give Hunger the Boot. Every mile that people undertake will count towards the wellies challenge. Help us reach our goal of 10,000 welly walks across the UK.

“**The training opened my mind. Maize is just for one season per year, so there’s food not just for this harvest, but every harvest. We now have the equipment and know-how to manage our land and natural resources effectively. Working shoulder-to-shoulder with farmers and other local community, we’re helping all farming techniques to take root and flourish, so there’s food not just for this harvest, but every harvest.**”

**HEAR THE DIFFERENCE**

Farm Africa has a growing network of speakers who can talk about our work in key areas such as food and nutrition, climate change, gender equality and more. We know that Africa has the power to feed itself, so for nearly 30 years we have been helping farmers to provide for their families and make a living from their crops. Last year, we reached over 6000 people for the very first time. Thanks to supporters like you, rural farmers now have the equipment and training they need to manage their land and natural resources effectively. Working shoulder-to-shoulder with farmers and other local communities, we’re helping all farming techniques to take root and flourish, so there’s food not just for this harvest, but every harvest.

By supporting Farm Africa this harvest, you make a giant difference to the lives of families in eastern Africa.
