

Amending your existing Will

If you have decided to leave a legacy to Farm Africa, you can use this form to amend an existing Will. A codicil form is a legal document that saves you the need to re-write the whole Will.

So that your codicil is valid, please follow these steps:

1. Complete your codicil form below and sign it in the presence of two witnesses* who should both sign the form too.
2. Store it with your current Will, but be careful not to staple or attach the form to your Will, as this may invalidate both documents.
3. To ensure your intentions can be fully carried out, seek the guidance of a solicitor before completing it.
