

Farm Africa Complaints Procedure

Farm Africa is a different kind of charity working to end hunger and bring prosperity to rural Africa.

For too long, Africa has struggled with the problems of hunger and poverty. Again and again, images of famine have challenged the world to end this human tragedy – but still it happens. Today, with climate change to deal with too, the need is more urgent than ever.

Farm Africa is helping Africa's farmers end this cycle of despair. We're there, on the ground, ensuring farmers have the equipment and know-how to manage their land more effectively.

Working shoulder to shoulder with farmers, we help the best farming techniques take root and spread so there's food not just this harvest, but every harvest.

We bridge communities, governments and businesses so that Africa's farmers can not only grow food but sell it too, allowing them to take charge of their future and build better lives.

**We believe Africa has the power to feed itself.
Let's make it happen.**

The work we do would not be possible without the commitment and generosity of our supporters, and we wholeheartedly value each and every one. We respect the wishes of our supporters, and aim to communicate openly and maintain transparency at all times.

Any comments, suggestions or complaints?

Farm Africa strives to provide the best service possible to anyone who comes in contact with the organisation. We always value any feedback from our supporters, in the form of comments, suggestions or complaints. All such feedback is recorded and reviewed regularly and we endeavour to learn from feedback and to address any issues raised fully and efficiently.

Complaints Procedure

Where your concerns relate to fundraising, you should initially contact Farm Africa's Complaints Co-coordinator, [Kate Prowse](#), using the details below.

Once we have received your complaint, you will receive an acknowledgement within 2 working days, and we will aim to make an initial response (after investigation) within 5 working days.

If you are not satisfied with the initial response please let us know as soon as possible. We will always aim to fully resolve any issue in such a way that you feel a satisfactory outcome has been reached in a fair and efficient manner.

If your complaint is still unresolved, please contact us in writing with full details of your complaint. Your complaint may be passed to our Senior Management team or to our Chief Executive's office for further investigation and response.
