

DISPOSAL OF COMPANY MAINTAINED MOTOR VEHICLES

For more than 35 years, Farm Africa has worked with farmers, helping them to increase their harvests, build their incomes and sustain their natural resources.

We are inviting bids from interested companies or individuals for three company maintained vehicles that we intend to dispose off.

The details are as follows:

1. Toyota Landcruiser

Year of manufacture: 1999

Fuel: Diesel

Engine: 4160cc

Transmission: Manual

Colour: Green

Mileage: 262,450 km

2. Toyota Landcruiser Prado

Year of manufacture: 2010

Fuel: Petrol

Engine: 2986cc

Transmission: Manual

Colour: White

Mileage: 131,593 km

3. Nissan Tiida

Year of manufacture: 2010

Fuel: Petrol

Engine: 1490cc

Transmission: Automatic

Colour: White

Mileage: 86,827 km

Interested bidders should send an email to procurementkenya@farm africa.org indicating their name, mobile number, bid amount and corresponding vehicle bidden for before close of business on 31 January 2021.

NB: The vehicles will be sold to the highest bidder(s).
